PROSPECTUS 2024 - 25

Introduction:

Vishnu Ayurveda college was established in the year 2002 in the premises of Vishnu Pharmaceuticals and Nursing home which was started in the year 1991. The existing land, buildings, machineries, factory, hospital – the entire properties merged with college and became part of the college. Hence, the college was started with all facilities including hostel facilities for boys and girls. The college is affiliated with Kerala University of Health Sciences, Thrissur. The college campus is having 10.73 acres of land on the main roadside of Palakkad Pattambi road. It is situated in Kulappully in Shoranur Municipality.

The distance from Kulappully junction/bus stand to the college is 1 km and the distance from the Shoranur railway station to the college is 4 km. As a part of the development of the hospital, the college has purchased the nearby Sanjeevani Hospital – a well known/ well established 50 bedded Allopathic hospital in 2010. The college is having all infrastructure facilities with almost double area than required according to the norms of NCISM / AYUSH.

The College is functioning under the proprietorship of Dr.M.Indiradevi headed by Dr.P.Ramachandran Nair who is the Director of the College.

For the development of Ayurveda Management of Vishnu Ayurveda college has decided to give scholarships to the students those who are not getting any fee concession benefits from any source. This will be applicable to 2024-25 admission batch only. The Management has decided to give Rs. 25000/- to all the deserving students from the first year onwards.

The following conditions will be applicable for this scheme.

1. Those who are getting any financial benefit from the Government or any other source will not be eligible for this scheme.

2. This scheme aims for the development of Ayurveda. So that the students

should fully devote their time to study Ayurveda perfectly to achieve the goal – for learning Ayurveda and to become a good doctor which is essentially required for their future and for the national interest ultimately for the existence of ayurveda and to the public health.

3. The students those who are passing out in all subjects in the first chance with good marks only will be eligible to get the scholarship in the next year. So that students should be very careful in their study. It will help to complete their education in time with high performance.

4. The scholarships will be awarded to the eligible students irrespective of caste creed, rich or poor without producing any certificate.

Through this scheme the management has offered Rs. 125000/- for the five years dividing Rs.25000/- per year for each student.

The management is indebted in the development of ayurveda. The management is running the college not as a profitable business rather for the development of ayurveda through making a very good ayurveda college providing all the facilities to the students for their study. And to maintain an ayurveda hospital for the public health a very reasonable amount for the recovery of their illness. It has got two advantages

1. Patients will get a good treatment with an affordable price. Meantime the students will get the advantage of to see and treat the patients coming with various illness.

2. The management is expecting the benefit of getting the advantage of all the categories of people.

Our modern hospital – Sanjeevani - is getting ready with all facilities to give training to our students. Hence students will be benefited for getting training in Gynaecology & Surgery here itself.

Duration of course: Four and Half Years + 1 year compulsory rotatory internship. Students will not be eligible for stipend during internship period. However the fees will be five years (five instalments).
